

CLIFF

HAND TOOLS

OD6620

Clean cut nippers for ductile wires up to Ø1mm.

Length: 130mm

Cut: 10mm

Weight: 61g

OD6621

Nippers with reversed cut for ductile wires up to Ø1mm, cut at 1.5mm from projection plane.

Length: 130mm

Cut: 10mm

Weight: 61g

OD6623

Clean cut nippers for ductile wires up to Ø1.5mm.

Length: 130mm

Cut: 10mm

Weight: 68g

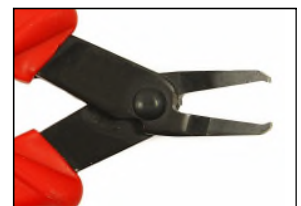

OD66321

Clean front cut nippers for ductile wires up to Ø1mm. Good for narrow spaces

Length: 138mm

Cut: 19mm

Weight: 72g

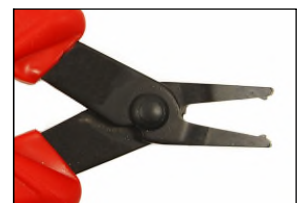

OD66331

Front cut nippers for ductile wires up to Ø1mm, cut at 1.5mm from projection plane. Good for narrow spaces

Length: 138mm

Cut: 19mm

Weight: 72g

CLIFF

HAND TOOLS

OD66266

Long needle nose pliers, jaws internally knurled by grinding.
Length: 150mm
Cut: 26mm
Weight: 73g

OD66296

Cutting / bending tool designed to cut and bend in one single operation.
Length: 128mm
Cut: 9mm
Weight: 71g

OD6630

Cutting / flattening tool designed to cut and flatten terminals of electronic components in one single operation.
Length: 126mm
Cut: 8mm
Weight: 69g
